DRIVING CHANGE TOGETHER

Why sponsor?

Put your business in the spotlight

Sponsoring a West Highland Chamber event is a simple, effective way to show the community that you are invested in our region's future.

It is a straightforward way to get your name in front of new customers, suppliers, and key decision-makers.

We offer flexible options for every budget, so you can choose the promotional opportunities that work best for your business:

- Sponsor a specific part of an event
- Sponsor a single event
- Become an overall sponsor for our three big events in 26/27

Show your support for West Highland business

Over the last three West Highland Vision conferences, the Chamber has raised the profile of the successes, opportunities and needs of our region. We are working hard alongside local businesses and communities to tackle the big issues—like housing, transport, and skills—to make sure the Scottish & UK Governments hear the voice of the West Highlands.
